

## Ethical declaration for researchers viewing wearable camera images

**Study Name:** Square Eyes or All Lies? Understanding Children's Exposure to Screens

I have read and understood the Square Eyes Ethics Guidelines available <a href="#">here</a> .	
I confirm I have read and understood the ethical framework for wearable camera research: Kelly, P., Marshall, S.J., Badland, H., Kerr, J., Oliver, M., Doherty, A.R., Foster, C. (2013) An Ethical Framework for automated-wearable cameras in health behaviour research. <i>American Journal of Preventive Medicine</i> 44(3); 314-319 available <a href="#">here</a> .	
I will undertake to protect the privacy and confidentiality of all participants and their wearable camera data.	
I understand that I must not disclose the content of any images to anyone who has not signed this agreement.	
I understand that I cannot make any copies of any images or post copies to the internet.	
I understand that I must not sent images via email.	
I understand that any images used in presentations, papers or reports must be approved by the Principal Investigator before use.	
I understand that I must report images that depict illegal activities (including but not limited to abuse, violence or drug taking) to the Principal Investigator.
